

9. Looking forward, what could be done to improve awareness of existing resources, policies, and/or best practices as the industry continues to evolve?

More case studies
and an exchange of
information on TSMO and
its relationship to Active
Transportation

I agree - more
case studies!

Any good short (5
min or so) vids on how
to engage locals on writing
good grant applications
for TAP project funding?

More peer exchanges
and use cases on these
topics
